

SCHOLARONE GRANTS & AWARDS™

IDENTIFY THE MOST PROMISING APPLICATIONS QUICKLY AND EFFICIENTLY

WHAT IT DELIVERS:

- A single place for all grants, honors and awards applications
- A full set of tools to manage and track the review process for applications
- Highly-configurable system tailored to your needs

WHAT YOU CAN DO:

- Manage and track all communications within a single system
- Define submission criteria for grants, honors and awards applications
- Gather data on the entire process with easy-to-use, customizable reporting functionality

You need to identify the most promising grant, honor and award applicants quickly and efficiently. With ScholarOne Grants & Awards, you can collect applications and submissions, and manage the review and acceptance process with transparency and ease. Our flexible system configuration allows customized workflows that meet your needs and ensure an efficient application and review process. Rather than spend time managing the process, instead concentrate on the applications themselves.

AUTOMATE THE COLLECTION AND REVIEW PROCESS

ScholarOne Grants & Awards automatically generates and tracks communications within the system. No time is wasted manually requesting and forwarding proposals, reviews, and responses. Applications do not get lost in the review process and the full application is always a click away, no matter where you are sitting. ScholarOne Grants & Awards offers:

- An intuitive interface that easily guides applicants, administrators, chairs, and reviewers through their process
- A clear dashboard overview of the entire workflow with the ability to drill down into specific stages and applications
- A schedule-based workflow with automated reminders and notifications to ensure the review process stays on track

You can use ScholarOne Grants & Awards to track submissions for:

- Foundation or Institute research funding
- Research grants or awards
- Student or resident awards

The screenshot shows a submission form with four numbered steps on the left: 1. Type & Title, 2. Contact Information, 3. File Upload, and 4. Review & Submit. The main form area has sections for 'Type' (with a dropdown menu), 'Title' (with a text input field and a 'Special Characters' button), and a 'Save and Continue' button at the bottom.

Submitting researchers are guided through the easy-to-follow submission process

The screenshot shows an administrative dashboard. On the left, there are sections for 'Admin Lists' (Assign Chair, Pick Reviewers, Assign Reviewers, Awaiting Reviewer Scores, Overdue Reviewer Scores, Awaiting Chair Decision) and 'In Production' (Awaiting Assignment to Batch, Assigned to Batch - Awaiting Export). Below these are 'Admin Tools' including User Administration (User Search, Add User Account, Merge Duplicate Users, Broadcast E-Mails, Broadcast E-Mails History, Extended User Search Results), Reports (At-A-Glance Statistics, Detailed Reports, Build Your Own Report (Query Studio), Legacy Reports), and Setup (Email Templates). On the right, there is a 'Quick Search' section with a 'Show Advanced Search' link, a 'Saved Search' dropdown, and input fields for 'Manuscript ID', 'Title', and 'Author's First (Given) or Last (Family) name', with a 'Search' button at the bottom.

Administrators see where all submissions are in the review process, so no missed steps or forgotten tasks
